A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I'm a customer of the Company that is subject of this pending proceeding.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The cost for water in our area is the highest I have seen anywhere. It is double and triple the amount that we have paid living in homes in NC, and that's with less people and less usage in our current residence. The imposed conservation requirement this past summer was absurd especially since it was not due to drought but a lack of infrastructure. With what we pay for water, there is no excuse for that. Quality of service must be higher. It is all nothing short of scandalous and something needs to be done to stop these ridiculous increases in our rates.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No
